Produced by the Office of Public Affairs, 2014
KU is an EO/AA institution. PA-00738
Business: The School of Business has collaborated with Cerner, Hill’s Pet Nutrition, and the KU Hospital to establish the new Center for Integrated Customer Experience.

Engineering: Every aerospace engineering student in the Class of 2014 was part of at least one award-winning AIAA international design competition team.

Law: Alumna Sarah Deer received a prestigious MacArthur Fellowship, known as the “genius grant.”

Health Professions: KU trained nearly 28% of physical therapists practicing in Kansas.

Architecture, Design & Planning: Studio 804 students designed and built a Marvin Hall addition in one year — The Forum, a glass-enclosed, 121-seat auditorium and commons — which opened October 2014.

Journalism: Service-learning projects for the Lawrence-Douglas County Health Department and the Kauffman Center for the Performing Arts benefited students and local communities.
